

SecuControl[®]

Test Interfaces for Power Systems

ITS Interface Test System

Flexibility and Standardization for Protection Panels

**Plug Solution for
Standardized Testing**

Finger-Safe *Design*

Modular Solution
From 4 to 20 Poles

Special Plastic Material
Flammability Rating: UL94-V0

Keying System
Prevents Errors During Tests

Normally Closed Contacts
Patented System

VDE Standard
and Customized Configuration Options

Customizable Labeling
Matches Customer Needs
